eTaal has brought several benefits like measurability leading to better management, visibility, ranking and healthy competition. eTaal has become a trendsetter in establishing similar real-time dashboards by several departments of the Central and State Governments. eTaal has the potential to take a great leap by incorporating the quality parameters of the Digital Service Standard. Compliments to the eTaal team for implementing such a useful and sustainable initiative.

Shri J Satyanarayana
IT Advisor to CM & Chairman UIDAI

Shri Yashwant A. Goswami
Member(Project Management) eCommitte
Supreme Court of India

Among first few things I do after coming to office is to visit etaal.nic.in. eTaal is a great platform developed for people who wish to see updated information every day. Analytical information provided on the site is a step advance.
