

NIC conducted eTaal 2.0 workshop at Vijayawada, Andhra Pradesh on 27.11. 2018

eTaal 2.0 is an electronic dashboard developed by NIC & MeitY for real time aggregated view of volume of G2C, G2B & B2C eServices delivered across different agencies of Union & State Government.

The one day workshop was held at Taj Gateway, Vijayawada. The workshop was inaugurated by **Shri J. Satyanarayana, IT Advisor to CM & Chairman, UIDAI. Shri IPS Sethi, DDG, NIC Delhi** discussed benefits of eTaal 2.0 during the workshop. He also threw light on the performance of Andhra Pradesh State and how the state is bridging the digital divide by providing more online services to its citizens thereby increasing the total eTransaction count on the eTaal portal.

Shri O.P. Gupta, Scientist-D, NIC Delhi along with Miss Sulbha Bhaisare, Scientist-B, NIC Delhi demonstrated the new portal.

The workshop focused primarily on how the state can integrate its eServices with the new eTaal 2.0 portal. The workshop was attended by around 100 officials from Department of Revenue, Registration & Stamp Duty, Police, Civil Supplies, Education, Industries & Commerce, Labor, Agriculture, Healthcare, etc.
