

‘.....144 crore e-transactions through various government portals’

- Shri Ravi Shankar Prasad

Hon'ble Union Minister

Ministry of Electronics & IT and Law & Justice

Ministry of Electronics and Information Technology (MeitY) along with National Informatics Centre (NIC), the nodal information technology arm of Government of India, have developed Electronic Transaction Aggregation & Analysis Layer (eTaal) portal (URL: <http://etaal.gov.in>). It provides an aggregated view of e-Transactions performed through e-Governance applications implemented including, but not limited to, the national-level mission mode projects (MMPs) under the National e-Governance Plan (NeGP). The dashboard also facilitates quick analysis of data of various applications in tabular as well as graphical form enabling users to drill down to the lowest level of detail without compromising security and integrity of the servers from where data has been captured.

eTaal portal provides the e-Transactions count of e-Services delivered to the citizens across the country. eTaal has a nationwide acceptability as data is being captured for approx. 3506 e-Services from 21 Central Ministries, 36 States/UTs and 21 Mission Mode Projects (MMPs). Around 5473 crore transactions have been recorded so far since the inception of the project in 2013. Since the last post of Shri Ravi Shankar Prasad on facebook, approximately 200 new e-services have been added and the transaction count has almost doubled in 9 months' time period.

On Wednesday, January 3, 2018 Shri Ravi Shankar Prasad, Hon'ble Union Minister, Ministry of Electronics & Information Technology and Law & Justice, posted on his facebook page “In the month of December 2017, citizens across the country have done 144 crore e-transactions through various government portals.”

The infographic features a dark blue background with a yellow top section. On the left, the eTaal logo is displayed. On the right, the Digital India logo with the tagline 'Power To Empower' is shown. The central text reads '#DoYouKnow' in large white font. Below this, a yellow icon of a computer monitor with a bar chart is enclosed in a white diamond shape. To the right of the icon, the text states '144 Crore e-Transactions have been done through various government portals in the month of December 2017.' At the bottom left, there is a circular portrait of Shri Ravi Shankar Prasad with the text 'श्री रविशंकर प्रसाद 2017' and 'एन एच सी'. The bottom of the infographic contains social media icons and handles for Facebook (/RaviShankarPrasadOfficial), Twitter (@rsprasad), Instagram (/RaviShankarPrasad), and YouTube (/RaviShankarPrasadMP).
